we know what we are doing in
Viet Nam - we're keeping the
economy going through our spending
we will keep busy here working
on pragmatic matters. To impress you
all what we really want to do is
fuck you & ap - get fat and then
quit.

Well, my solution to this type of
government that is to do away
with its leaders and declare
anarchy the best form of govt - or no
govt.

~~I hope that all of you will
take to heart the fact that~~

the President is your best friend until
he gets in power then he turns
into a ~~monster~~ ^{monster} who will suck every
drop of blood out of you - and
if he doesn't like you - you're dead.

intentional - vs. - extentional.

connotation vs. denotation.

implicit. Equality before and after the law

I advocate the overthrow of the current president of the fucken United States of America, I have no absolute plans yet - but soon will compose some

I am poor - This country's propaganda says that she is the best country in the world - I have not experienced this yet - the U.S. - Says that life in Russia is bad - Why - it is supposedly no burage american has ever lived in a slave society so how can he tell if it is good or bad - with his goat pating cards in his mouth.

Anyway - I believe that the U.S. is ready ~~to start~~ ^{to start} a total decline, not that it hasn't - it began in Nov 23, 63 - but it should decline at a faster rate so that the new latipia will not be too far from being realized during the early 70s in that country.

I strongly support the communist-
CPR and its people - when I am in, China
